

Transport Service - information

Thanks to our great partnership with "Förenade Bil" and BMW we can provide transport service for all players playing in the tournament, and staying at our official hotel, Quality Hotel View (Hyllie).

Transport from the hotel will be ready 1 hour before the first match of the day, and if necessary we will go back and forth until all players have been transported. Players playing in the first match-round will be prioritised, and players with a later start time or coaches will have to wait if there is not enough room in the cars.

Transport will also be provided on every hour as long as matches are still being played at the tournament site. Cars will leave on the hour from the tournament site, provided that there has been a booking by one or more players.

To book transport please get in contact with the tournament desk, or the tournament director. Morning transport needs to be booked on the day before, other transport can be booked up until departure.

There is also a really good public transportation by bus. Take bus number 9 from Hyllie Station (right next to the hotel) and get off at Victoria Park. From there it is 5 minutes walk to the tournament site. Total travel time is around 13 minutes (walk included). Same route goes from Victoria Park to Hyllie Station.
